

MANUEL BELGRANO GAS PIPELINE

USD 1.5
billion

753 km
pipeline

5
provinces

13 MMm³/d
of gas

NEW
COMPRESSOR PLANT

in Tratayén

STARTING

April 2027

COMPLETION

April 2029

JOBS

2,000

+ **Vaca Muerta gas**
for the central, northern
and coastal regions

- **Imports**
(LNG)
USD 700
million/year

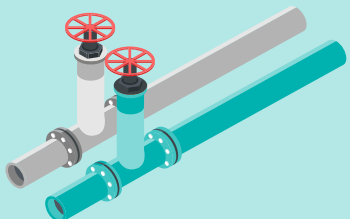

+ **Exports**
(regional)
USD 450
million/year

+ **Competitive gas**
for industries and
power generation
